Outlier.Systems

ONE PAGE · NOVEMBER 2026

Solutions For The Data Backed World

Strategic Systems Intelligence Agency.

OUR MISSION

Give teams and communities a working map of the system they are inside, and the first move it points to, so they stop fixing symptoms.

8	5	38	0
organizations, one company	readings of real systems published	systems maps drawn by our engine	first hours booked since October 6

Our own counts as of November 6, 2026, the low one included.

07 Dash.org Dapp Development

THE LONG GAME

A think tank. A builder community. A practice that gets handed over. Community-driven. Democratic by design. Tended, never owned.

INVESTMENT INQUIRIES

Invest@Outlier.Systems

For those who want to fund the think tank, the community, and the practice.
